September Programs

Michigan Sunken Mysteries, September 18th from 5:30-7 PM

Ready to explore the “Golden Age of Shipwreck Hunting”? Join author and shipwreck hunter Ross Richardson for Discovering Michigan’s Sunken Secrets! Learn the thrilling stories behind Michigan’s most baffling maritime mysteries—and of his own discoveries of long-lost vessels and aircraft. This immersive program highlights cutting-edge tools like side-scan sonar and underwater robotics that are rewriting Great Lakes history and what we know about the bottom of our lakes.
